

# SA Series Inkjet Printer

/ The third generation of HR tech  
/ Most advanced LGCS control tech  
/ WIFI connect

SAJET is the third generation high resolution printer developed by Loogal based on HP TIJ2.5 tech, which adopts the most advanced control tech of LGCS . Users are easy to send command through interface to control printers and print content.

SAJET can support all fonts including True Type . What you edit and see is what will be printed out. Support various kinds of languages. The print content is not limited in the font ,size, lines , which is a breakthrough for traditional printers.

## Product details

## Highlights

- Easy operation,no need of any training.
- Full metal shell,industrial design and stronger.
- Take HP original driving board to make print effect higher quality.
- Wireless print head verify tech , more stable and intelligent.

## Ink & Print material

### INK-42X2MH01

Good color fastness and water proof performance, can print on Ivory board, coated paper and so on.

### INK-42X2MH09

Used to print on most plastic, metals ,PVC and other no-porous material.

### CISS & HISS INK SUPPLY SYSTEM

Solvent-based ink

## Parameters

### Print height

SAJET-1	12.7mm (0.5in)
SAJET-11	2*12.7mm (0.5in)
SAJET-111	3*12.7mm (0.5in)
SAJET-1111	4*12.7mm (0.5in)
SAJET-2	25.4mm (1in)
SAJET-22	2*25.4mm (1in)
SAJET-4	50.8mm (2in)

### Print speed & Resolution

30 m/min@ 600x600 DPI  
60 m/min@600x300 DPI  
120m/min@300x150DPI

### Interface type

WIFI/USB/Sensor/Encoder/Warning light

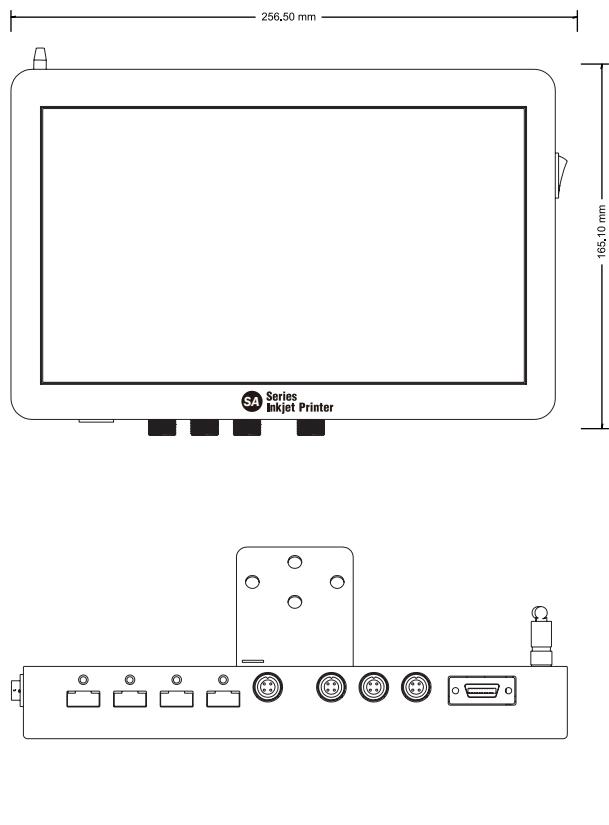

### Print content

Text、counter、date、Variable barcode、image

### Power

110-220VAC 50/60Hz

### Size

### Print system

HP TIJ2.5

### Operation

10.1 size touch screen

### Font size/Template format

TrueType/LGPV1.0

### Barcode types

EAN8 EAN13 EAN128 CODE25 CODE39  
CODE128 CODE128A CODE128B CODE128C  
Codebar2width UPC12 PIATS PDF417  
PIATS DRUG QR CODE DATAMATRIX

### Max power

120W

### Temperature/Humidity

5°C ~ 35°C / 10%~90%

### Printer head
